Dear Magda Bresó Peris,

Following our previous letter, E! 11607/17/Q, we are pleased to inform you that project application E! 11607 IntegralkWA has been approved, and your organisation has been earmarked for funding.

Funding is allocated and paid according to the rules and procedures of the relevant National Funding Body. It is therefore essential that you contact your National Project Coordinator within 10 working days of the date of this letter to progress with the funding process. Failure to make contact may result in your project being excluded from the Eurostars Programme.

As stated in the Guidelines for Participants, the main participant must provide the EUREKA Secretariat with a copy of the final consortium agreement, signed by all consortium members. This signed consortium agreement must be delivered to the EUREKA Secretariat within 12 weeks of the date of this letter. (05/10/2017)

Due to its eventual receipt of national funding your project has now earned the right to be officially recognised as a Eurostars labelled project.

The EUREKA Secretariat wishes you every success with your Eurostars project.

Best regards,

Philippe Vanrie
