

I Actively suggest solutions to the problems we find.

I always have a positive attitude about the task and try to reach an agreement by debating and explaining ideas.

I Consistently stay focused on the task and complete all its parts.

I Almost always listen to, share with, and support the efforts of others. I try to keep people working well together.

- 1.Disagree
- 2.Agree
- 3.Totally agree.

I always try to provide useful Ideas and accept other people's comments and proposals about my contributions.
